Sen. Allen welcomes Charlevoix High School students

Dec. 5, 2006 – State Sen. Jason Allen, R-Traverse City, welcomed teacher Anne Marie Conway and her Charlevoix High School class to the state Capitol Tuesday. The students participated in the House Civics Commission, an initiative which believes that one of the best ways to teach civics is to engage students in governmental processes. The students gave presentations on legislative documenting, global warming, the use of wind turbines, and legislative redistricting.
